

Associate Director Program

The Meritus Credit Union Board of Directors is responsible for the general direction and control of the credit union. They must be committed to the credit union mission and understand the laws and regulations that govern it. The Associate Director Program allows interested Meritus members to gain the necessary skills and knowledge needed to be eligible for potential openings on the Board of Directors. The Board of Directors, Supervisory Committee, and Associate Directors serve as volunteers and are not compensated by Meritus Credit Union.

A limited number of positions are available in the Associate Director Program. Interested applicants must be a member in good standing, at least 18 years of age, and cannot be a relative of any Meritus Credit Union employee, Board or Supervisory Committee member. Potential candidates will not be denied consideration by reason of race, sex, religion, disability, or age, nor will any candidate be selected solely for such reason. Your application may be disqualified if your service to or employment with another financial institution, investment firm, or other business entity creates a conflict of interest. Submission of an application does not guarantee acceptance into the program.

All applications will be reviewed in a timely manner. Selected candidates will be required to attend a formal interview with the Meritus Credit Union Associate Board Committee and, if selected, must go through, and pass a background, credit and bondability check. All other applicants will be notified in writing within 30 days of receipt of application if they are not being considered for the program.
